

## Pertinent Paragraphs

About as fast action as we have heard of in many moons, was the getting through of the College avenue extension. Supervisors have agreed to grade the artery and the city of San Diego had already agreed to surface it.

Much of the credit for the fast completion of this project is due Judge White, who in turn claims the greatest share should go to Ted Haaf and Andy Benson who assisted him in keeping the project before the supervisors.

In the mail. Letter from a subscriber in Santa Rosa (Review subscribers from New York to Honolulu) writes inquiring HOW the skunk GOT IN the dresser drawer out in Spring Valley. Our number one investigator investigated and reported that the dresser drawer had a defective cloth back. (San Diego Union, who also ran the story, may also use this explanation without charge.)

★ ★ ★  
Another communication (postal) from an old friend in Lake county. Says "... nice size town ... 3300 ..." Maybe we'd better explain that that was intended to be sarcasm. Intended to incite interest in the formation of some new additional organization in Lemon Grove that might have for it's one and only purpose the project of having corrected the false signs that are now standing at the almost center of town — and having new ones erected that would scream to one and all that Lemon Grove is a nice town in which to live and trade. Most small cities comparable to ours have similar signs. Progressive organizations there. Must have had some boards and paint, or else didn't mind spending a few bucks!

★ ★ ★  
But then, we weren't gonna mention signs — and say that the population is far closer to 10,000 than it is to 3,300 — BUT

We are happy to announce that the Lions Club of Lemon Grove have ordered three signs which are to be installed at the three approaches to Lemon Grove. One around the Cinema-dine, another close to the Catholic church and the other around the VFW hall.

The signs will have the regular insignia, and meeting time and in addition — will have an added caption or slogan — promoting the town of Lemon Grove!

★ ★ ★  
Enough for signs. But while we are on the subject — our bouquet of the week goes to two guys who earn it, we figure, thru a sign! These two fellows, like the prizefighter, groggy but refusing to recognize the count of ten, got up from the mat, dug down where it hurts, and ante'd up to put the lemon in first class shape — once more. Ray Adlfinger and Tony Sonka. And while we might have grounds to wonder about their persistence, there's no doubt regarding the act being a swell bit of public service!

★ ★ ★  
The championship tournament of the Lemon Grove Golf and Country club was a tightly woven and hectic affair in the semi-finals as witness a conversation between Frank (Christmas tree) Higgins and "Doc" Cloyes that was overheard to go something like this — Seems the match was a see-saw affair to the bitter last hole. The medico had just sunk his and Frank steps up to the mere formality of dropping his eight incher. You guessed it! It didn't cooperate. Our snoop — pardon, we mean scout, turned in some words Frank said that are not used in print. Then, accord-

### GROVE SCHOOL ENROLLMENT PASSES 1300

The attendance at the Lemon Grove elementary school registered 1194 pupils in September, the opening week. Now in December, it has grown to 1307, an increase of 113 children in 3 months. That means three more teachers are needed, and more classrooms. At this rate an average of almost two new pupils are entering per day, counting 20 school days in a month.

Double sessions will be required in two or more grades in Vista La Mesa, when that school opens. According to present estimation, 57 children will be in kindergarten from that area. Also 57 will be registered in first grade. Neither of those grades can be handled by one teacher.

Twenty-eight pupils are expected in the second grade; 48 in third grade; 34 in fourth grade and 24 in fifth grade. A total of 248 children will be expected to register in the new school when it opens, and with new homes going up, those figures will probably be exceeded by that time.

### Heights Christmas Party Set for December 23

The Monterey Heights Christmas Tree outdoor party will be held Thursday evening December 23, at 7:00 p. m. in the 1800 block of Englewood Drive. Santa will be there with treats for all the children of the Heights.

Carols and a musical program have been arranged. At the party the stake wagon furnished by the Union Oil Station will be awarded.

### Appointment of Father McDonagh Confirmed

Rev. Father John William McDonagh, pastor of the Holy Family Parish on Coolidge Avenue in San Diego, for the past six years, has been appointed pastor of the St. John of the Cross Parish in Lemon Grove. It was announced this week by Most Rev. Charles Francis Buddy, D. D., Bishop of the San Diego Diocese. Rev. Fr. Patrick F. O'Neill will remain as assistant.

Fr. McDonagh, ordained in Carlow, Ireland, in 1927, for what was then known as the Diocese of Los Angeles and San Diego, has served parishes throughout Southern California. He came to San Diego County from Big Bear,

ing to his account, the conversation sounded like this: Frank: "I feel miserable — you're a doctor — what shall I do?" With a look of deep sympathy in his eyes, the good doctor handed something to Frank that appeared to be an old pocket knife and said "behind those bushes Frank, and one last request, if they find you — please don't ask for me!"

### Expect Vista La Mesa School to be Finished in March

The Lemon Grove elementary school board of education met Tuesday evening, December 14, at 7:30 in the school superintendent's office. Routine matters such as payroll make up and purchase orders were disposed of and the cafeteria report made. It showed a decline this month due to selling milk for 5c which costs 6½c.

The Vista La Mesa school building held main interest on the agenda. The building is expected to be finished in March, according to the present schedule.

Some \$5,311.00 was left over as the contract was let for that much less than the architect's estimate of the building's cost. This money would ordinarily be returned to Federal funds, but permission was received to use \$3,000.00 of the amount for grading the grounds.

Four applications for principalship have been received from teachers, and a secretary and janitor will also be hired. Seven teachers will be transferred to the school when it is opened.

Plans are progressing for the Monterey Heights school building. The State Division of Architecture. (Continued on Page 9)

### LIONS PLAN ON REORGANIZATION OF COMMITTEES

The Lemon Grove Lions held their regular weekly meeting at the V.F.W. Hall Thursday evening, December 9.

Paul Duley of the stunt committee reported plans for a "Bingo" party for Lions and their ladies February 12. There are to be lots of prizes. It is planned to serve doughnuts and coffee. More details will be released at a future meeting. A donation of \$45. was received from Chris Christensen.

Speaker of the evening was Art Lietch, Deputy District Governor.

President "Andy" Benson has announced that he will appoint new committees at the meeting of January 6.

The members have agreed to attend the community Christmas party December 23.

George White will preside at tonight's meeting. The program will be handled by Ray Adlfinger who will take the Lions 'through Hawaii.'

### Facts and Figures On Heights Street Lights District

The subject of a lighting district for Monterey Heights was again discussed at the December meeting of the Civic Organization Thursday evening.

Chairman L. E. Leech explained the cost figures published in the hand bills distributed to the homes during the week. Of members present an equal number seemed as opposed to the proposition as there were those eager to have street lights in the Heights. The opposition took their position because of the tax, while those desiring street lights pointed out the safety factors and the probable increase in property values.

A petition, drawn up according to California State laws on lighting districts was circulated for signature. The law requires a minimum of 15 signatures of resident owners, which was acquired with ease. The petition is the first step in the procedure to set up a lighting district to have street lights installed.

The petition will go to the County Supervisors who will cause a public hearing to be held at Civic Center. Protests can be entered at the hearing, as well as the pleas for the street lights. Unless the protests are in the majority, an election will be held at a later date at which time any

### BUSINESS MEN DISCUSS NEED OF EXTRA DEPUTY

The first meeting of the Business Men's Association with John A. Hill as president took place Tuesday noon at the Lemon Grove Golf and Country Club.

The discussions taken up after lunch included the possibility of two deputies instead of one for Lemon Grove. The county would pay the first \$75.00 and the business men would pay the balance, in proportion to what they now pay for patrol service. The new deputy would be able to arrest any person for any misdemeanor or felony and would have full backing of the sheriff's office.

Frank Higgins announced that total collections for the Christmas tree fund had reached more than \$340.00.

Dwight Putnam then told of the plan for bus service from Chula Vista to College Avenue, through Lemon Grove at the corner of Broadway and Massachusetts Avenue. Discussion is to come up Thursday, December 16, before the Transportation Commission.

J. A. McClurken explained his plans to enclose the tanks located at Broadway and Massachusetts; to make a stage for a new drive-in theatre; also to erect a large motel, a group of shops, and other improvements, to cost a total of more than one million dollars. Mr. McClurken, who owns the property, is attempting to secure zone variances, to begin the project.

### Public Hearings on Additional Bus Service Starts Today

Mr. Alton H. Putnam, acting as attorney-in-fact for the proposed new Aztec Transit System, announced there will be hearings starting at 10:00 a. m. and 2:00 p. m. each day until all evidence is in. They will be conducted at Civic Center in room 351 by Mark Chiesia, examiner for the public utilities commission. Mr. Kenneth Potter, one of the five commissioners will be present also.

Mr. Putnam wishes those interested in better transportation in this area would attend this hearing and by their presence, back up their contention that more transportation facilities are needed.

The proposed new route would run out of the Sweetwater area into La Pressa; thence through Monterey Heights to San Miguel Avenue in Lemon Grove; west on San Miguel to Massachusetts; north on Massachusetts through Vista La Mesa to University; west on University to 70th; north on 70th to El Cajon and State College.

Any questions regarding this proposed route may be answered by calling Mr. Putnam.

The owner of the Aztec Transit System is Mr. Karl M. Haffly, for many years a successful business man of Sunnyside.

## LET'S DISCUSS IT

by Mrs. Agnes Whitlock

Christmas seems to be a magical time of the year. Its at this time of year that even the meanest miser shakes loose with something for the little children and the unfortunate. It would appear that the Christmas Season is the mythical key that opens some of the hardest hearts.

There is a possibility of everyone here in the Grove sitting down to a good Christmas dinner this year. Why? Well, every organization here is working in some way to help make this possible.

If you do not belong to an organization and would like to help, send your contributions to me direct or in care of this paper, and I will see that it gets to the proper person. This contribution can be food, clothing or toys, as well as money.

There are ten families known to be in need at the present, and there will probably be more called to notice by Christmas. The names of these families are held in the strictest confidence, but you can see that everything contributed can be used.

When you sit down to Christmas dinner this year it is going to be a comfortable feeling, knowing that you helped make it

## TO HOLD PARTY DECEMBER 19

The Catholic War Veterans, Mission Rancho Post and Auxiliary 1511 is holding a Christmas party for the post children December 19, from 1:00 to 5:00 in the afternoon.

A pot luck dinner will be served before gifts are distributed by Santa.

All members of the post and auxiliary have been asked to attend.

possible for another family to have a dinner just as wholesome and filling, if not as fancy, as yours.

Even though you won't be able to have a tree or party in your home, you can still enjoy these things by sharing with everyone else the beautiful tree in the center of town and by bringing your children to the big Community Christmas Party. There shouldn't be any children forgotten this year with everyone working with Santa Claus.

We should show our appreciation to the people of our community who made it possible for us to have these things. One way of doing this is by patronizing our local merchants and doing as much of our Christmas shopping as we can here at home.

## PLANNING TRIP

Miss Virginia Eager, daughter of Mr. and Mrs. Walter Eager of Hartzell Road, plans to leave for Warm Springs, Georgia, after Christmas, for a six months course in physical therapy treatment of polio. Miss Eager is a Wave, Lt. J. G., and has been on duty at the Naval Hospital in San Diego.

## GOLDEN CIRCLE PARTY HELD DECEMBER 10

Places were set for 37 at the Golden Circle Class party at the L. F. Herder home on Central Avenue, Friday evening, December 10.

After the pot luck dinner, the new officers for the coming year were elected as follows: president, Hans Ahrensberg; vice-president, Mrs. Hannah Abbott; secretary, Mrs. Walter Denlinger; and treasurer, M. Isaac Cass.

The evening was spent in various novel stunts. Each guest brought an offering for some new silver ware for the Congregational Church, which was deposited in a miniature church, and a short poem read by each contributor. Two dozen knives, forks, and spoons were added to the church supply.

Guests attending were Mr. and Mrs. Hans Ahrensberg, Mr. and Mrs. Fred Shepherd, Mr. and Mrs. A. R. Rettke, Mr. and Mrs. Al Cronquist, Mr. and Mrs. Walter Denlinger, Mr. and Mrs. Bird Garrett, Mr. and Mrs. Lum Morrow, Mrs. Mary Conklin, Annie Proctor, Ira McFeeley, May Yount, Agnes Osgood, Margaret Humphrey, Joe Lowry, A. Stalnaker, Emma Cass, Hannah Abbott, E. B. Oberltnr, Miss Mamie Cass, Isaac Cass, Miss Myrtle Cass, Dianna Allison, Archie Stalnaker and the Herder family. Mrs. Al Cronquist assisted with the entertainment.

Citrus production is expected to be about the same this year as the large total last season. Oranges and lemons may be larger than last year; grapefruit smaller. - U. S. D. A.

### LOOKIN' AT THE GROVE

by John A. Van Gilse

We may not have many things in Lemon Grove that like communities do not have, but by golly I'll bet we have one thing. Bet there aren't many villages that can boast ownership of one of Uncle Sam's former super-dreadnaughts. Of course Lemon Grove as a whole cannot claim ownership of this battleship either, but A. J. Christensen of Lemon Grove can for he was notified last week that his bid for the old battleship Ohio was the highest and as a result he was awarded the old battlewagon. It is located at Bremerton, Washington, and now Chris and his associates have the tremendous task of getting it down to San Diego.

To me it is a tremendous task, but to Chris and his associates and 17 employees it is just another job and can almost be classified as "old stuff" for the Christensen Company has previously been high bidder on LSMs, landing craft and patrol craft. They admit, however, that a battleship is the largest assignment they have had. If my Navy nomenclature serves me right, the Ohio was a 1918 class of battleship rating better than 27,000 tons. At any rate, that will give you some idea of the tremendous size of "Lemon Grove's" fleet. All kidding aside tho' I'll bet the Lemon Grove "fleet" surpasses the fleets of more than 75 percent of the countries of the world insofar as super-dreadnaughts are concerned.

Wonder how many noticed the "volunteers" out working last Sunday. It really looked good to me to see so many helping Frank Higgins with his community tree decorations. Have to hand it to Frank and his committee. They

### Camp Fire Girls Hold Annual Xmas Council

The Lemon Grove Camp Fire Girls held the annual white gift Christmas Council Fire on Sunday, December 12 at 3:00 p. m. in the Congregational Church.

The girls sang "Oh Come All Ye Faithful" as they marched down the aisle to deposit their cans of food in the two large cartons on the rostrum in the front of the church, after which they went to their seats. Everyone stood while the Camp Fire hand sign was given followed by the singing of "Wo-he-lo for Aye" by Flossine Hemmer.

In the candle lighting ceremony Connie Robinson lit the candle of 'work' and gave thanks for happy hours spent together in the accomplishment of a purpose. Barbara Bates lit the candle of 'health', giving thanks for the gypsy trail and unforgettable meals cooked out of doors. Judy Payne lit the candle of 'love', giving thanks for the friends who have made our lives richer and happier. Mary Catherin McArthur gave thanks for Camp Fire, in whose magic circle we have found Work, Health and Love.

Brief sketches of many Christmas traditions were read by girls from the O-ki-hi, O-ken-ya-sen and Ot-yo-kwa groups, the last being the origin of the Silent Night, after which the carol was sung and the girls marched out in accompaniment to the last verse.

For 15 years Camp Fire Girls have furnished two or more baskets of food, toys, and sometimes clothing for needy families in Lemon Grove, the names of

have certainly been a "working committee" for a change. Over across the street it was also good to see Joe Beyer and his heavy equipment at work improving the parking area in front of the Post Office. As promised John Hill, Paul Duley and Tony Sonka helped Joe grade the area.

Although the lights haven't been on as yet, Sterling Cato receives all the credit in the world for his wiring of the Community Christmas Tree. It will be beautiful and a job well done.

## SCHOOL NEWS A VISIT TO THE ZOO

by Robert Lebb

On December 6, Mr. Goodall's class visited the San Diego Zoo. We arrived at the zoo at 9:30 a.m. and Mrs. Ross, one of the guides, was there to greet us. We rode in an observation bus around the zoo.

The first animals we saw were the two humped camels. One of the camels had a baby and the guide informed us that when the baby camel is first born it has no humps. Most people think that camels can go for weeks without water, but we found out that this was not true. Three days is about the limit. We also learned that there are no bones in a camel's hump.

Next we stopped at the kangaroo pens. The kangaroos were excited and hopped toward us, hoping for some bread. Mrs. Ross told us that the baby kangaroo when born is no larger than your thumb. The mother carries the baby in her pouch until it is old enough to hop by itself. The kangaroo when hopping carries its front feet in the air and uses its tail for balancing itself.

Next we saw the African Buffalo. Many African hunters consider this animal the most dangerous of African big game because they never know when he is about to attack. They have often been known to attack railroad engines and cars successfully, knocking them off the tracks.

The bus then stopped at the compound of the Alpacas, a South American animal whose fur is used for making clothes and blankets. One of the Alpacas had a 'Veronica Lake' hair-do. His name is Knothead. Mrs. Ross said, "Knothead, turn around and show the children your 'new look'." Then Mrs. Ross tossed him a piece of bread, but Mrs. Knothead got there first.

After leaving Knothead, we visited Hammerhead, the singing zebra, who gave us his version of "Home on the Range." According to Mrs. Ross, no two zebras have identical stripes.

In addition to the animals already mentioned, we saw the giraffes, elephants, bison, bears, lions, tigers, leopards, and other birds and animals too numerous to mention. The last half hour was spent in the building where the snakes are housed.

## JALOPY RACE DECLARED SUCCESS

## ANNUAL CHRISTMAS PARTY HELD BY FORWARD CLUB

Members of the Forward Club held their annual Christmas party at their club house Friday, December 10, at 2:00 p.m. There was a record-breaking attendance of 76 people present. Guests introduced were Mrs. Frank Farmer and daughter Evelyn Craig, Mrs. Frank F. Wolf, Mrs. Agnes E. Patterson, Mrs. Lester Lackey, Mrs. William A. Mullins, mother of Mrs. George Brassington; Mrs. Paul Helder, Mrs. Ida Mae Kraft, Mrs. C. H. Stephenson and Mr. Edmund E. La Casse.

Three new members of the club were announced: Mrs. John Hill, Mrs. Gilbert Durham and Mrs. R. Casteel.

Mrs. Randolph Morse was appointed Welfare chairman for the club.

Mrs. C. F. Baxter announced the Home Decoration Contest and the amounts of the prizes. President Mrs. Ted Haaf told of a meeting at Civic Center Monday regarding the new College Avenue Extension.

Mrs. Paul Helder sang two vocal selections accompanied by Mrs. Agnes E. Patterson who has written many selections.

Rev. C. F. Hurst gave a short address on "Peace to the World" and Rev. Dan Apra spoke on "Commercializing Christmas." Margaret Butler sang three selections accompanied by Miss "Tony" Sonka: "Wind in the South," Birthday of a King" and "Oh Little Town of Bethlehem," in which the audience participated.

A clever chimney had been improvised, around which the guests marched dropping in their offerings toward new silver forks for the organization. \$43 was realized from the offering, which was made in lieu of a Christmas gift exchange.

The group has also realized \$135 already toward paying their sewer installation debt.

a.m. and the prize events took place at 1 o'clock. Prizes were donated by Lindley's Drug Store, Lemon Grove Variety, Western Auto Stores, O'Connor's, Brownies' Department Store and La Mesa Home Appliance.

Winners and their times were as follows: John Blake, 28 seconds; Walter, 30 seconds; Eugene Barland, 35 seconds; Gunnard Osburg, 36 seconds; Ralph Richardson, 37 seconds and Offie Hedge, 39 seconds.

The Scoutmaster stated that while there were several crack-ups, there were no serious injuries.

## 125 Attended Combined Group Xmas Party

Two organizations of the Community Congregational Church, the Los Amigos class and the Young Mrs. club held a joint Christmas party last week beginning with a pot luck dinner at 6:30 p.m. Hostesses were Mrs. Frances Cavellin, Mrs. Mary Blalock, Mrs. Genevieve Porter, Mrs. Belle Ellis, Mrs. Polly Beistline, Mrs. Mary Jane Willis and Mrs. Eleanor Denlinger.

Mrs. Jack Durham was general chairman for the party which had an attendance of about 125 persons. This was the first time the two groups had ever tried a joint affair, and the hostesses prepared for about 60 guests. However, hope was expressed that the event would become an annual affair.

After dinner the guests went upstairs to gather around a large lighted decorated Christmas tree. Carols were sung and a gift exchange held. Candy canes were presented to all the children.

Mr. and Mrs. DeWitt Mytinger and their friends played instrumental numbers.

## SCOUT NEWS

Friday night, December 17, at 7:30 p.m., the Lemon Grove Cub Scouts of Pack 8 will meet at the Congregational Church for their Christmas party.

A full evening is in store for them. During the course of the evening the following will take place: Bobcats will receive their Bobcat pins, a song fest will be held, a short play will be given, and a 20 pound turkey will be given away.

The evening will be concluded with the arrival of Santa Claus for the exchange of gifts among the boys, and topped off with re-

## SCHOOL CAFETERIA RATED HIGH BY INSPECTOR

Possibly many Lemon Grove school patrons are not aware that there is an excellent cafeteria functioning for hot lunches for the school children. Parents are invited to come and have lunch with the children any time when convenient for them to do so.

An excellent lunch is provided for 25c, well balanced and of high caloric value. Children may purchase 1/2 pint of milk for 5c, which is lower than parents may buy it by the quart.

The cafeteria was inspected last week by Miss Pauline Laudwick of the State Department of Education. She recommended the cafeteria program very highly to the community, and assured parents they would make no mistake sending their children there for hot lunches.

Both parents and teachers agree there is a direct correlation between good nutrition and good grades in school.

At present only about 70 of the 1300 children enrolled in the school are eating in the school cafeteria.

## BUSINESS WOMEN MEETING TODAY

The Business Women's League is meeting today, December 16, in the dining room of the Congregational Church at 12:30. They plan to fill sacks with candy for the Community Christmas party which is being held the following Thursday, December 23, around the community tree.

freshments for all.

Parents are cordially invited to help make this a big night for their boys.

## London Paper Carries News of Invention by Brother of Local Man

The late London edition of The Times, dated November 3, carries an interesting story, illustrated with a photograph, regarding the invention of a Rotofoto system of typesetting by George Westover, brother of Steve Westover of the Lemon Grove Lumber Company.

The story is carried under a Leatherhead dateline and explains in detail the method of typesetting invented by Westover.

The new system does away with expensive metal matrices of various sizes, replacing them with photographed images on film. The various sizes are obtained through enlargement and reduction.

According to the Times' story, there is no immediate likelihood of the system being adopted by newspapers, however it is expected to be accepted widely for book and periodical printing by offset and gravure processes.

## ATTENDED MEETING IN LOS ANGELES

Paul Reynolds, of the Lemon Grove school office, attended a meeting of California business officials December 3, in the Chamber of Commerce Building in Los Angeles.

The group was urged in maintaining their buildings and their grounds, to do so on a rotating basis, due to limits of the budget and time.

In insurance matters, a standard form was recommended for use in all schools, so as to get value received.

They also recommended that cafeterias be supervised closely, and a high standard of service be maintained.

ture is processing the plans and hopes to have them back by January 1, so bids may be received shortly afterward on the new building. The supervisors have acted on closing the necessary streets in the site area. Titles to three of the lots have not been cleared yet, so condemnation proceedings have been started on them. The board dedicated 10 feet on each lot to make the street wider.

Highest bidder for the school bonds was the California Bank, according to Byron Netzley, Superintendent of Lemon Grove Schools. The bid called for 2% interest on \$31,000 to be retired from 1950 to 1953 and 2 1/2% on \$54,000 to be retired from 1954 to 1959. The bid carried a premium of \$7.00.

Mr. Netzley stated that the interest rate is very favorable and that the school was satisfied with the transaction.

More room is needed in the Lemon Grove school for nurse's quarters and supply storage. No solution of this problem has been made, and the school architect will be consulted.

Recommendations were made regarding the school play ground lighting.

A retaining wall is needed on School Lane and more fencing on the new property east of the present site.

Kindergarten children are now forced to load on Lincoln Street, and a discussion was held regarding setting the fence back to permit them to load on the grounds.

In character, in manners, in style, in all things, the supreme excellence is simplicity.

## CAMP FIRE GIRL NEWS

The O-ki-hi group of Camp Fire Girls finished making their tray favors to carry to the old people in the rest homes where they will sing carols next week. They also received very beautiful hand stenciled invitations to a Christmas party at Linda Young's home next week.

The Blue Bird groups were all busy finishing Christmas gifts for their parents. A special Christmas treat was enjoyed by each group.

The Idaka group of eighth graders enjoyed making lapel pins of evergreens, tiny cones and acorns and adding a touch of gold paint to finish them off.

They meet at Connie Robinson's in Spring Valley for a lesson on Christmas Cookie making next Monday.

O-ken-ya-sen group hiked to the Taylor Ceramics Studio to finish their pieces of pottery they had started for Christmas gifts.

Mrs. Ralph Siegelman of Mobile, Alabama, arrived Tuesday to spend a fortnight with her stepson, Lt. Cmdr. Robert J. Siegelman, and family of Quarry Road in American Homes.

Other guests at the Siegelman home are her brother and family, Mr. and Mrs. George Frary and two small sons of Phoenix, Arizona.

### **SCHOOL NEWS**

Barney Davis, popular coach and physical education instructor of Lemon Grove Elementary School is ill with pneumonia, but is getting along nicely. However he will not be able to take charge of duties for the rest of this year.

Mrs. Jessie Snell's fourth grade is giving a Christmas Operetta Wednesday, December 15, in the Baptist Church building.

Mrs. Guyola Phillips' fifth grade pupils are presenting a Christmas program and party for their parents Friday morning.

Many of the rooms are beautifully decorated at the school, and several are having programs and parties. Rehearsals are going on daily for the Christmas Concert being presented by the music department Thursday and Friday evenings. Children are working on gifts for their parents as extra curricular activities.

The California Highway Patrol is having a hamburger and hot dog feed at the Police Pistol Range for the Junior Patrol members in Lemon Grove and El Cajon areas, Tuesday, December 21, from 10:00 a.m. to 3:00 p.m. Approximately 100 boys are expected to attend. ## **Vista La Mesa Womens Club Elects Officers**

The Vista La Mesa Women's Club met Monday evening in the Christian Church and elected new officers for 1949.

Mrs. R. M. Hendee was elected new president for the coming year to succeed Mrs. H. M. Fallis. Mrs. James McPhail will be the new vice president, succeeding Mrs. Charles Correll, who held the office last year. Mrs. H. M. Fisher was secretary last year and was reelected. Mrs. Gerald Morgan was elected treasurer and will succeed Mrs. Al Rovang, who held the office last year.

The big surprise of the evening occurred when Mrs. Ashton Barnum, a member of both the Women's Club and the Civic League, presented a check for \$1,000 for the new community hall. The group had kept this a secret, and had a fine time enjoying the surprised expressions on the faces of the recipients.

Several of the women are members of the Women's Community Choral Club and will sing for the Community Christmas party held in the church next Tuesday evening.

## **PTA Holds Regular Meet**

The Lemon Grove P.T.A. met Friday evening, December 10, in the school cafeteria.

During the business session it was reported that a net profit of \$24 was realized on the rummage sale. Many garments were not sold; but saved for community welfare.

Mrs. Pauline Miller's sixth grade pupils presented a program

## ENJOYED TRIP TO PALOMAR

Mrs. John Kish and her co-leader, Mrs. William Gregory, took their troop of Girl Scouts to the Palomar Observatory Saturday in Mr. Goodall's bus. Mothers who accompanied them were Mrs. Tom McGuire, Mrs. Robert Bennett, Mrs. George Dickerhoff, Mrs. I. B. Burkett, Mrs. Marcus Borlin, Mrs. A. W. Thomas, Mrs. W. S. Torgensen, and Mrs. J. E. Hogan.

The group left Lemon Grove at 8:00 a.m. Saturday, with 24 Girl Scouts making up the party. About 11:00 a.m. they arrived and were happy to find Palomar covered with snow.

They enjoyed a trip through the observatory, and also the museum, after which they ate a sack lunch on the grounds and left for home at 1:00 p.m.

On the way back they stopped at an antique shop near Escondido, and were shown about making ceramics.

They arrived home about 4:30 p.m., voting it a very enjoyable day for all.

## NEW MEMBERS WELCOMED

Mrs. Mona McIntosh met with her troop Friday in the Vista La Mesa Christian Church, and they welcomed four new girls: Barbara Clifton, Patty Roberts, Sharon Fisher, and Georgia Gooch.

## PROPOSED MONTEREY HGTS. STREET LIGHTS

(Continued from Page 1)

registered voter in the boundaries of the lighting district may participate. A majority — 51% will decide the issue.

It is important that all the qualified voters be familiar with the facts. The following brief summary is taken from the hand bill figures. Anyone desiring additional information may obtain the same from chairman Leech, 2167 El Dora Street.

Boundaries for the lighting district are: Alton on the east to Lansing on the west; Glencoe on the north to Skyline on the south extending to Carlisle, including Drexel and Cameron. A total of 38 6000 lumen lights are suggested to be placed at the most favorable points. The equipment will not be owned, but will be acquired more as a lease from the San Diego Gas and Electric Company.

The installing, servicing and maintaining will cost \$3.55 per lamp per month. However the cost to the property owner is determined by the total assessed valuation of the district, less veterans' Exemption, less delinquents estimated at 15%.

50% of the lighting tax is set up in a county reserve fund. On the basis of the figures submitted by the San Diego Gas and Electric Company the cost to the individual annually is estimated to be .47c on each \$100. assessed valuation of real property for the first year, and .31c on each \$100. of assessed valuation the second year and thereafter. As the total assessed valuation increases, the tax rate decreases. Every property owner can judge for himself what the approximate cost to him will be per year by finding his property assessed valuation on his present tax bill and figuring .47 for each \$100. of such figure.

For example, if an owner's lot and improvements are valued at \$8650. and the assessed valuation is \$1840 and he is entitled to the Veterans' exemption of \$1000 the taxable assessment would be \$840. The lighting tax annually at the estimated rate of .47c per \$100. assessed valuation would be \$2.60.

The Civic Organization is not trying to influence the decision of this subject. It has gone to great effort and some expense to obtain correct information and to present it for discussion because in the past frequent inquiries have been made from the floor regarding street lights for the Heights. The lights have to be paid for by taxation. Property owners are invited to give it study and to take action when the election comes up. The majority will make the decision.

New members joining the Organization are: Mr. and Mrs. A. J. Barry, 1600 Skyline Drive; Mr. and Mrs. C. R. Esler, 1834 Dayton Drive; Ronald T. Bray, 1811 Englewood Drive; David Hentigan, 1730 Dupont Drive, and Mr. and Mrs. R. M. Lockhart, 1815 Dayton Drive.

Progress of the plans for the childrens Christmas party was reported on, and donations by those present swelled the funds by \$25.

Mr. and Mrs. Harold Randall of 7848 Nichals in Monterey Heights, returned last week after a trip to Fresno to meet Mr. Randall's mother Mrs. Myrtle Randall, who was in Astoria, Oregon, taking treatments when she slipped on the street and fell, breaking her nose, shoulder and leg. When able to travel, Mr. and Mrs. Harold Randall brought her back to her home in San Diego.
